**2013 JACK LONDON CABERNET SAUVIGNON**

For over 30 years, Kenwood Vineyards has exclusively crafted wine from the single vineyards of Jack London's historic ranch. Each varietal captures Sonoma Mountain's unique character garnering an extraordinary and enduring appeal.

**TASTING NOTES**

Red fruit aromas of cherries and plums join with complex spicy and aromatic notes of hazelnut, mint and cardamom. The wine is full-bodied with rich, well-structured tannins, an elegant mouthfeel and a long finish.

**JACK LONDON VINEYARD**

Since our first vintage from the Jack London Ranch in 1976 it has proven itself as an outstanding producer of exceptional Cabernet Sauvignon. Located midway up the Eastern flanks of Sonoma Mountain it has a long mild growing season that creates fruit with complexity and balance. The influence of the vineyard's red volcanic soil and the fruity characteristics of the grapes combine to produce an outstanding, very distinctive Cabernet Sauvignon.

**WINEMAKING**

The second year of the historic California drought, the vintage of 2013 provided fruit with particularly intense and extracted character. Harvest began in late-September and progressed for several weeks as the different vineyard blocks slowly ripened. The grapes were fermented in stainless steel, and then aged in 75% French and 25% American oak barrels for 24 months.

**FOOD PAIRINGS**

The intense and elegant flavors of the 2013 Jack London Cabernet Sauvignon complement a variety of hearty entrées, including roast beef and lamb.
